

Find Out **Everything** Your Spouse, Children & Employees Do Online via ***E-mail***

To: jdoe@mail.net
From: eBlaster@spectorsoft.com
Subject: eBlaster Activity Report

Sometimes, you don't have physical access to the computer a person uses. You may be away from home on business, or simply working late into the night. Yet, you are concerned about what your kids, your spouse, or your employees are doing online.

eBlaster delivers detailed activity reports, including all web sites visited, all applications run, and all keystrokes typed, right to your e-mail address, as frequently as every 30 minutes.
